Analysis

This resolution accepts a Federal Financial Assistance Award of Domestic Grant from the United States Department of Agriculture, Forest Services, to the Metropolitan Nashville Water and Sewerage Services Department in the amount of \$539,000 with no cash match required. This grant will assist with the replant of Nashville's diminishing tree canopy and will be contracted to Metro's non-profit partners for tree planting on private property. The term of the grant begins on July 1, 2023, and ends on September 30, 2026.

This grant assists with the goals of Chapter 5.11 of the Metropolitan Code of Laws, which created a mechanism for providing funds for restoring and maintaining the tree canopy in Nashville and Davidson County. The Council previously appropriated \$2,500,000 to the Cumberland River Compact ("CRC") to provide tree canopy restoration and maintenance pursuant to Resolution No. RS2022-1599. CRC has also approved subgrants to other nonprofits including Trevecca, Progress, Inc., the Nashville Tree Conservation Corps, Green Interchange, the Nashville Tree Foundation, the Native American Indian Association, and the Historic Germantown Neighborhood Association.
