### Analysis

This resolution appropriates \$1,100,000 in American Rescue Plan Act funds to the Mayor's Office of Economic and Community Development to create an inclusive and equitable economic development plan and policy and to conduct a market value analysis.

The COVID-19 Financial Oversight Committee recommends appropriating funds to the Mayor's Office of Economic and Community Development to engage external consultants for the creation of an economic development plan and policy along with a market value analysis.

The economic development plan and policy is estimated to cost up to \$750,000. The plan would consist of four phases over the next nine to 12 months:

- Phase 1 - Stakeholder Engagement
- Phase 2 - Market assessment
- Phase 3 - Target industry analysis
- Phase 4 - Strategic goals for Nashville and Davidson County

The market value analysis is estimated to cost up to \$350,000. This would identify where and how to invest limited resources that can transform urban real estate markets into revitalized neighborhoods.

*Fiscal Note: This appropriation, along with the appropriations per Resolution No. RS2022-1356 and Resolution No. RS2022-1362 would be the 19<sup>th</sup>, 20<sup>th</sup>, and 21<sup>st</sup> resolutions appropriating from the American Recovery Plan Act (ARP) Fund for a cumulative total of \$97,910,250. The total grant award is \$259,810,600 and the first half of this amount was received in July 2021.*
