### Analysis

This resolution approves a memorandum of understanding ("MOU") between the Nashville Public Library ("NPL") and the Department of Parks and Recreation ("Parks") for the provision of free and high-quality afterschool and summer programming through the Library's Nashville After Zone Alliance ("NAZA") out-of-school time coordinating system.

Pursuant to the terms of this MOU, Parks would provide NAZA-funded programs that will align with the Metro Schools calendar and be available to youth Monday through Thursday during the fall and spring semesters on days when Metro Nashville Public Schools are in session. These programs would support youths' physical, social, emotional, cognitive, and academic skill development, help youth build purpose through learning, and have relevance to their real-life experiences. The term of this MOU would begin July 1, 2024, and end June

30, 2025. NPL would provide Parks \$436,135, representing 117 slots for afterschool, 130 slots for summer, and transportation.
