A resolution approving amendment one to a grant from the State of Tennessee, Department of Health, to the Metropolitan Government, acting by and through the Metropolitan Board of Health, to use available data to identify populations at high risk for adverse consequences from substance abuse and employ evidence-based interventions that are responsive to population needs.

WHEREAS, the Metropolitan Government, acting by and through the Metropolitan Board of Health, previously entered into a grant agreement with the State of Tennessee, Department of Health, to use available data to identify populations at high risk for adverse consequences from substance abuse and employ evidence-based interventions that are responsive to population needs approved by RS2022-1707; and,

WHEREAS, the parties wish to amend the grant agreement to reduce the amount of the grant award by \$259,400 from \$681,000 to \$421,600 and amend the scope of services contemplated in the grant agreement to reflect the new funding amount, a copy of which amendment one is attached hereto; and,

WHEREAS, it is to the benefit of the citizens of The Metropolitan Government of Nashville and Davidson County that amendment one be approved.

NOW, THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That amendment one to the grant by and between the State of Tennessee, Department of Health, and the Metropolitan Government, acting by and through the Metropolitan Board of Health, to use available data to identify populations at high risk for adverse consequences from substance abuse and employ evidence-based interventions that are responsive to population needs, a copy of which amendment one is attached hereto and incorporated herein, is hereby approved, and the Metropolitan Mayor is authorized to execute the same.

Section 2. That this resolution shall take effect from and after its adoption, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

This resolution approves amendment one to a grant from the Tennessee Department of Health to the Metropolitan Board of Health previously approved by Resolution No. RS2022-1707. The purpose of the grant is to use available data to identify populations at high risk for adverse consequences from substance abuse and employ evidence-based interventions that are responsive to population needs.

This amendment reduces the amount of the grant award by \$259,400, from \$681,000 to \$421,600. Further, it amends the scope of services to reflect the new funding amount.
