Analysis

This resolution approves the second amendment to an agreement between the Tennessee Department of Transportation (TDOT) and the Nashville Department of Transportation and Multimodal Infrastructure (NDOT). The project, originally approved by Resolution No. RS2015-1535, is for the acceptance of work in connection with the construction of a sidewalk on Lebanon Pike (State Route 24) from McGavock Pike to Old Lebanon Pike.

Amendment 1 to this agreement, approved by Resolution No. RS2020-512, extended the completion date of the agreement to May 31, 2022, and updated the agreement language to allow for the use of TDOT on-call consultants for future services.

The resolution under consideration approves Amendment 2 to the agreement. This amendment extends the completion date from May 31, 2022, to May 31, 2024. No other changes would be made to the agreement.
