Section 2. That the authority granted hereby for the construction, installation, operation, and maintenance of said aerial encroachment under Proposal No. 2023M-017EN-001 shall not be construed as a surrender by the Metropolitan Government of its rights or power to pass resolutions or ordinances regulating the use of its streets, or the right of the Metropolitan Government through its legislative body, in the interest of public necessity and convenience to order the relocation of said facilities at the expense of Fourth and Broad LP.

Section 3. That construction and maintenance of said aerial encroachment under Proposal No. 2023M-017EN-001 shall be under the direction, supervision, and control of the Director of NDOT, and its installation, when completed, must be approved by said Director.

Fourth and Broad LP shall be responsible for the expense, if any, of repairing and returning the right-of-way to the condition which it was in prior to the installation of said aerial encroachment, and for any street closure.

Section 6.
