Analysis

This resolution approves a memorandum of understanding among the federal Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), the Tennessee Bureau of Investigation (TBI), the Metro Police Department, and the Fire Department for an arson and explosives task force. The purpose of the task force is to investigate crimes involving fire, arsons, and explosives in Davidson County. The ATF special agent in charge will have control over all operations of the task force. Each agency agrees to assign at least two task force officers. All task force officers must undergo a security clearance and background investigation by the ATF. The MOU includes provisions regarding the sharing of information, which must be solely for criminal investigation purposes. Each participating agency will pay the costs of its employees associated with the task force. ATF may separately reimburse overtime subject to availability of funds, but this MOU does not require any such funding. Any agency may withdraw from participation in the task force with 90 days written notice.

Tenn. Code Ann. § 12-9-104 authorizes the Metropolitan Government to enter into agreements with the state

and federal governments for cooperative projects by resolution approved by the Council.
