### Analysis

This resolution approves an application from the Nashville Department of Transportation and Multimodal Infrastructure ("NDOT") for a subrecipient grant from the Tennessee Technological University ("TTU") for the Charging Tennessee: Advancing Public Vehicle Fleet Electrification project. The U.S. Department of Energy is accepting applications for a Vehicle Technologies Office Technology Integration grant. TTU has applied for a grant for a project titled "Charging Tennessee: Advancing Public Vehicle Fleet Electrification." The application is for an award of \$179,540 with a required cash match of \$500,000. This grant would be used to establish an electric park and ride system in downtown Nashville to deploy four electric shuttle buses while providing charging capabilities to commuters for electric vehicle charging through six charging stations.
