Analysis

This resolution approves a sole source contract between the Metropolitan Government and CDK Enterprises, dba Southern Lighting and Traffic Systems, Inc. ("SLTS").

Sole source contracts may be awarded under the Metro procurement code when it is determined that there is only one source for the supply or services rendered. Section 4.12.060 of the Metro Code requires all sole source contracts having a total value in excess of \$250,000 to be approved by the Council by resolution.

The term of the contract begins upon approval of all required parties and filing with the Metropolitan Clerk's Office and ends after 60 months. The estimated value of this contract is \$500,000.

Pursuant to the terms of this agreement, SLTS will provide service, maintenance, and licensing for the Centracs ATMS system. NDOT utilizes the Centracs ATMS system to manage timing and coordination of over

900 signaled intersections. According to the sole source justification form, SLTS is the sole source for obtaining service, maintenance, and licensing for the proprietary solution for the Metro traffic management system software.

Fiscal Note: The estimated value over the 5-year life of this contract is \$500,000 to be paid from Fund 10101, Business Unit 42161110.
