Analysis

This resolution accepts the terms of a cooperative purchasing master agreement for trash, recycling, and brush calendar reminders, searchable recycling database, and application for the Department of Water and Sewerage Services. This purchasing agreement is between Sourcewell, which is a state of Minnesota local governmental agency, and ReCollect Systems, Inc. The agreement is valid through May 28, 2025.

RS2020-648 authorized the acceptance of a similar agreement for the same products offered by ReCollect Systems, Inc. The current agreement expires in July 7, 2022. This new cooperative purchasing master agreement allows Metro to continue to utilize the ReCollect Systems, Inc. database and application products.

T.C.A. § 12-3-1205(b) authorizes local governments to participate in cooperative purchasing agreements with governmental entities outside of the state as long as the goods or services were competitively procured by the other governmental entity. T.C.A. § 12-3-1205(b) further provides that local governments may participate in a master agreement by adopting a resolution accepting the terms of the master agreement.
