### Analysis

This ordinance approves an amendment to a deed of conveyance for 3325 John Mallette Dr from the Metropolitan Government to Senior Citizens, Inc., originally approved by Ordinance No. BL2006-1230. BL2006-1230 expressly contained a reversionary clause requiring the property to be used only for a senior citizen center. It also provided that Senior Citizens, Inc. could not abandon or transfer any portion of the property.

The ordinance under consideration would delete these existing conditions and replace them with a condition that Senior Citizens, Inc. must use the property primarily for the non-profit service of the senior adult populations of Nashville and Davidson County, Tennessee. This would allow Senior Citizens, Inc. to use the property for additional services to the community.
