Analysis

This resolution accepts the terms of a cooperative purchasing master agreement for the purchase of heavy equipment, parts, accessories, and related services for the Department of General Services by and through the Office of Fleet Management. The purchase agreement is between the City of Tucson, a state of Arizona governmental entity, and Caterpillar, Inc. According to the cooperative purchasing request, utilizing the master purchasing agreement would provide increased availability and competitive pricing for the equipment, goods, and services sought by the Department of General Services. The agreement is valid through October 2, 2024 with four option years.

T.C.A. § 12-3-1205(b) authorizes local governments to participate in cooperative purchasing agreements with governmental entities outside of the state as long as the goods or services were competitively procured by the other governmental entity. T.C.A. § 12-3-1205(b) further provides that local governments may participate in a master agreement by adopting a resolution accepting the terms of the master agreement.
