Analysis

This resolution authorizes the Metropolitan Development and Housing Agency (MDHA) to enter into an

agreement to accept payments in lieu of taxes (PILOT) for a multi-family housing project located at 101 Factory Street, known as Chestnut Hill. In 2016, Ordinance Nos. BL2015-1281, BL2016-334 and BL2016-435 authorized MDHA to negotiate and accept PILOT payments from operators of low income housing tax credit (LIHTC) properties, capped at \$2,500,000 annually. If approved, this PILOT, would be the thirtieth such PILOT program overall, and the eighth for MDHA in 2021. Before this project, the amount of annual funding available for LIHTC projects is \$563,611, accounting for the Poplar Bend project in RS2021-910, Riverwood Tower project in RS2021-911, Chippington Towers project in RS2021-1041, Shelby House project in RS2021-1117, 900 Dickerson project in RS2021-1173, Fairground Site C project in RS2021-1174, and Richland Hills project in RS2021-1188.

PILOT agreements essentially provide tax abatements for real and/or personal property taxes that would otherwise be owed to the Metropolitan Government. PILOTs were historically used by Metro to provide incentives through the Industrial Development Board (IDB) to large employers to create job opportunities. But Tenn. Code Ann. § 13-20-104 was amended several years ago to give MDHA the authority to enter PILOTs to create affordable rental housing subject to Council approval.

MDHA developed their PILOT program to provide additional financial incentives to developers considering construction or rehabilitation of affordable housing units through a federally funded LIHTC program. Subsidized LIHTC developments serve those at or below 60% of the average median income (AMI) for the Nashville area, which translates to an income cap of \$35,460 for individuals and \$50,580 for families of four in 2021. Once negotiated by MDHA, each PILOT agreement must be approved by the Council by resolution.

The maximum term for the PILOT payments under this program is 10 years. The PILOT agreement would only be available for additional tax liability over and above the pre-development assessed value of the property. The program is available for both existing and new developments, based on financial need. The PILOT lease is to be terminated if the property sits vacant for two years.

MDHA is required by state law to file an annual report with the Council, Assessor of Property, and State Board of Equalization identifying the values of the properties subject to PILOTs, the date and term for each PILOT, the amount of PILOT payments made, and a calculation of the taxes that would otherwise be owed.

The owner of the property, ECG Chestnut Hill, LP, plans to construct approximately 204 units to be restricted to individuals and families earning at or below 60% AMI. The amount of the PILOT payment to Metro in its first year will be \$18,000. The owner will be required to pay a monitoring and reporting fee to MDHA not to exceed 5% of the in lieu of tax payment. The estimated project valuation is \$25,924,326.

Fiscal Note: This PILOT request would require the developer to make a first-year payment of \$18,000 in lieu of property taxes, with a 3% annual increase through the remainder of the 10-year period.

In addition to the PILOT payments, the developer would be required to pay a monitoring and reporting fee to MDHA. This fee would be set by MDHA not to exceed five percent (5%) of the amount of the PILOT payment due each year.

The final assessed value of this project will not be known until completion. However, the value of the project when completed is estimated to be \$25,924,326. For purposes of this analysis, this number will be used as a reasonable estimate of the final project value.

Over the 10-year life of this PILOT agreement, a total of \$3,203,217 would be abated, although Metro would

still receive \$206,350 in property taxes from this project, as depicted in the following table:

Real Property Tax (M)						
	Year	Total	Standard Tax	Still Pay	Abatement	Abatement %
	1	\$25,92	\$340,957	\$18,000	\$322,957	94.7%
	2	\$25,92	\$340,957	\$18,540	\$322,417	94.6%
	3	\$25,92	\$340,957	\$19,096	\$321,861	94.4%
	4	\$25,92	\$340,957	\$19,669	\$321,288	94.2%
	5	\$25,92	\$340,957	\$20,259	\$320,698	94.1%
	6	\$25,92	\$340,957	\$20,867	\$320,090	93.9%
	7	\$25,92	\$340,957	\$21,493	\$319,464	93.7%
	8	\$25,92	\$340,957	\$22,138	\$318,819	93.5%
	9	\$25,92	\$340,957	\$22,802	\$318,155	93.3%
	10	\$25,92	\$340,957	\$23,486	\$317,471	93.1%
Totals			\$3,409,567	\$206,350	\$3,203,217	93.9%

After the property tax abatement from this project, \$240,654 would still be available within MDHA's annual cap of \$2.5 million for other PILOT projects in 2021.
