An ordinance to amend Title 17 of the Metropolitan Code of Laws, the Zoning Ordinance of The Metropolitan Government of Nashville and Davidson County, by changing from RS15 to SP zoning for property located at 1231 Pawnee Trail, approximately 350 feet southeast of Grants Pass (12.8 acres) to permit 36 detached multi-family residential units, all of which is described herein (Proposal No. 2023SP-036-001).

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That Title 17 of the Code of Laws of The Metropolitan Government of Nashville and Davidson County, is hereby amended by changing the Official Zoning Map for Metropolitan Nashville and Davidson County, which is made a part of Title 17 by reference, as follows:

By changing from RS15 to SP zoning for property located at 1231 Pawnee Trail, approximately 350 feet southeast of Grants Pass (12.8 acres) to permit 36 detached multi-family residential units, being Property Parcel No. 019 as designated on Map 053-00 of the Official Property Identification Maps of The Metropolitan Government of Nashville and Davidson County, all of which is described by lines, words and figures on the plan that was duly considered by the Metropolitan Planning Commission, and which is on file with the Metropolitan Planning Department and Metropolitan Clerk's Department and made a part of this ordinance as though copied herein.

Section 2. Be it further enacted, that the Metropolitan Clerk is hereby authorized and directed, upon the enactment and approval of this ordinance, to cause the change to be made on Map 053 of said Official Zoning Map for Metropolitan Nashville and Davidson County, as set out in Section 1 of this ordinance, and to make notation thereon of reference to the date of passage and approval of this amendatory ordinance.

Section 3. Be it further enacted, that the uses of this SP shall be limited to 36 detached multi-family residential units. Short term rental property, owner occupied, and short term rental property, not owner occupied, shall be prohibited.

Section 4. Be it further enacted, that the following conditions shall be completed, bonded or satisfied as specifically required:

1. Comply with all conditions and requirements of Metro reviewing agencies.
2. The final site plan shall label all internal driveways as "Private Driveways". A note shall be added to the final site plan that the driveways shall be maintained by the Homeowner's Association
3. The final site plan shall depict any required public sidewalks, any required grass strip or frontage zone and the location of all existing and proposed vertical obstructions within the required sidewalk and grass strip or frontage zone. Prior to the issuance of use and occupancy permits, existing vertical obstructions shall be relocated outside of the required sidewalk. Vertical obstructions are only permitted within the required grass strip or frontage zone.
4. The Preliminary SP plan is the site plan and associated documents. If applicable, remove all notes and references that indicate that the site plan is illustrative, conceptual, etc.
5. The requirements of the Metro Fire Marshal's Office for emergency vehicle access and adequate water supply for fire protection must be met prior to the issuance of any building permits.
6. Maximum building height shall not exceed that of elevations included in the preliminary SP.
7. Building elevations submitted with final SP shall have building design-including massing, glazing,

building materials, and façade articulation-that is substantially similar to the elevations approved with the preliminary SP.

8. Retaining wall details shall be provided with final SP. Retaining walls shall satisfy all Metro standards.
9. At final SP, submit a detailed grading sheet showing Conservation area (slopes of 20 percent or greater and stream and associated stream buffer) remaining undisturbed.
10. At final SP, submit a tree survey identifying all protected, heritage, and specimen trees. These trees shall be preserved in accordance with Section 17.12.090 of the Metro Zoning Code.
11. If associated mandatory referral for the closure of Pawnee Trail right-of-way (2023M-001AB-001) does not receive Metro Council approval, revision of the preliminary SP may be required. Staff will make this determination upon Metro Council's decision on the mandatory referral.

Section 5. Be it further enacted, a corrected copy of the preliminary SP plan incorporating the conditions of approval by Metro Council shall be provided to the Planning Department prior to or with final site plan application.

Section 6. Be it further enacted, minor modifications to the preliminary SP plan may be approved by the Planning Commission or its designee based upon final architectural, engineering or site design and actual site conditions. All modifications shall be consistent with the principles and further the objectives of the approved plan. Modifications shall not be permitted, except through an ordinance approved by Metro Council that increase the permitted density or floor area, add uses not otherwise permitted, eliminate specific conditions or requirements contained in the plan as adopted through this enacting ordinance, or add vehicular access points not currently present or approved.

Section 7. Be it further enacted, if a development standard, not including permitted uses, is absent from the SP plan and/or Council approval, the property shall be subject to the standards, regulations and requirements of the RM20 zoning district as of the date of the applicable request or application. Uses are limited as described in the Council ordinance.

Section 8. The Metropolitan Clerk is directed to publish a notice announcing such change in a newspaper of general circulation within five days following final passage.

Section 9. This Ordinance shall take effect upon publication of above said notice announcing such change in a newspaper of general circulation, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.
