### Analysis

This ordinance, as substituted, approves the property tax levy for FY23. Section 6.07 of the Metropolitan Charter provides that the Council's next order of business upon adopting the annual operating budget is to adopt a tax levy that fully funds that budget. The property tax rate proposed by the Mayor is being decreased

slightly from the FY22 rates of \$2.953 to \$2.922 in the General Services District and \$0.335 to \$0.332 in the Urban Services District, for a combined rate of \$3.254. The Council adopted the FY22 tax levy to be the same as the certified property tax rate and pursuant to Tenn. Code Ann. § 67-5-1701, the certified tax rates must be set to produce the same ad valorem revenue for Metro as was levied during the previous year, exclusive of new construction, improvements, and deletions. State law also requires that, in the year following the adoption of the certified tax rate, the State Board of Equalization order recapture of an excessive adjustment if the certified tax rate was found to be overestimated. The proposed FY23 tax levy is \$0.002 below the recapture rate ordered by the State Board of Equalization. This tax levy rate is projected to be sufficient to fully fund the Mayor's proposed FY23 operating budget.

The tax levy is amendable on third reading. Following the adoption of the tax levy ordinance the Urban Council must meet to approve a separate resolution to approve the property tax rate as proposed for the Urban Services District.
