Section 2. The Directors of Water and Sewerage Services and Public Property Administration are authorized to execute such documents as may be necessary and appropriate to carry out the abandonment, acceptance and relocation authorized by this resolution.

Section 3. This resolution shall take effect upon passage, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

This resolution amends Ordinance No. BL2021-1020 to modify the abandonment and acceptance of public water mains, fire hydrant assemblies, and easements for property located at 1201 Hillside Avenue, also known as Reservoir Zone 4A.

Ordinance No. BL2021-1020 abandoned approximately 637 linear feet of existing eight inch sanitary sewer main, approximately 394 linear feet of existing six inch water main, approximately 396 linear feet of existing 30 inch water main, eight sanitary sewer manholes, one fire hydrant assembly and easements, and accepts approximately 311 linear feet of new eight inch sanitary sewer main (DIP), approximately 482 linear feet of new six inch water main (DIP), approximately 481 linear feet of new 30 inch water main (DIP), five sanitary sewer manholes, two fire hydrant assemblies and easements. It also provided that future amendments to the ordinance may be approved by resolution.

This amendment abandons an additional approximately 229 linear feet of existing 30-inch water main, an additional approximately 150 linear feet of existing six-inch water main and easements, and the acceptance of an additional approximately 88 linear feet of new 30-inch water main (DIP), approximately 567 linear feet of new eight-inch water main (DIP) and easements.

Fiscal Note: This ordinance has no cost to Metro. Abandoned and donated easements have no market value according to the Department of Water Services.
