Analysis

This resolution amends Resolution No. RS2020-394 to permit MNPS to use a portion of the CARES Act grant funds allocated for laptops and hotspots to be used for other curriculum needs and supplies for remote learning.

The Council approved and accepted a Coronavirus Relief Fund (CRF) grant from the U.S. Department of the Treasury in an amount not to exceed \$121,122,775 via Resolution No. RS2020-318, as amended. In June 2020, the Council approved Resolution No. RS2020-394 to allocate \$24,000,000 of the CRF funds for MNPS laptops and hotspots. Subsequent to the approval of RS2020-394, the state awarded MNPS grant funding to cover a portion of the cost of the laptops and hotspots, which has freed up funds that can be reallocated for other MNPS COVID-19-related needs. Specifically, MNPS would like to expand the use of funds to include student and teacher laptop computers, hotspots, and Pre-K through Grade 12 virtual curriculum for students and school supplies for remote learning. Any funds that have not been spent by MNPS by December 28, 2020, will be returned to the Metro Finance Department to be used to offset CARES-reimbursable costs incurred by Metro.

This reallocation has been approved by the COVID-19 Financial Oversight Committee.

This resolution will need to be withdrawn in favor of Resolution No. RS2020-658 concerning the same subject matter.
