Analysis

This ordinance authorizes the conditional abandonment of a portion of Alley 371, approves the acquisition of a new alley, and grants an easement in the air space above the new alley in connection with the development of a project in Nashville. Jack C. Wilder (Wilder) owns certain parcels on either side of Alley 371. He requests that the alley be relocated. The abandonment of the current Alley 371 would be conditioned on (a) the provision of a letter of credit from Wilder in the full amount of the estimated cost of construction, (b) that no final use and occupancy permit will be issued until NDOT has filed a notice of acceptance of the new alley, and (c) that all utility easements held by Metro are retained.

Wilder would construct a new alley and convey to Metro the fee interest in the property underlying the new alley. Metro would convey an air-rights easement to Wilder to permit construction, use, and maintenance of improvements above the new alley. Wilder will pay \$30,000 as consideration for this transaction.

Fiscal Note: Metro will receive \$30,000 from Jack C. Wilder under the Deed and Easement agreement.
