WHEREAS, on June 15, 2021, the Metropolitan Council passed Resolution RS2021-966, a resolution which accepted grant funds for local government support from the Coronavirus State and Local Fiscal Recovery Funds established by the American Recovery Plan ("ARP") Act of 2021 from the U.S. Department of the Treasury to The Metropolitan Government of Nashville and Davidson Count, which was subsequently signed into law by Mayor John Cooper on June 16, 2021; and,

WHEREAS, Resolution RS2021-966 established a COVID-19 Financial Oversight Committee ("the Committee") whose role is to collect, consider, and recommend appropriate uses of the ARP Funds as designated by the Metropolitan Council disbursement plan. WHEREAS, the COVID-19 pandemic has placed additional financial burdens on this vulnerable population, resulting in depletion of the OFS financial assistance reserve, as well as additional mental health burdens, resulting in long waits for victims to receive proper mental health services through OFS nonprofit partners;

and,

WHEREAS, OFS has identified the annual funds necessary to adequately fill its financial reserves and to allow its nonprofit partners to address the mental health and crisis intervention needs of those victims who need it; and,

WHEREAS, OFS has identified these needs as the best and most appropriate use of emergency assistance funds for its department; and,

WHEREAS, the Committee recognizes and recommends that it is in the best interests of the Metropolitan Government that sufficient funds be allocated for these programs to operate for the next two years; and,

WHEREAS, it is to the benefit of the citizens of The Metropolitan Government of Nashville and Davidson County that this resolution containing the recommendations of the Committee be approved.
