Analysis

On September 21, 2021, a Nashville Fire Department employee attempted to exit the Embassy Suites by Hilton Property on Century Boulevard after responding to a call. The employee struck an exit kiosk, damaging its base.

The total damages to the exit kiosk are \$15,229, including the repair and replacement of the damaged kiosk, shipping, labor, supplies, and installation of a custom graphic panel with credit card reader and intercom. The Department of Law recommends settlement of this claim for \$15,229.

Disciplinary action against the employee consisted of a written reprimand, the completion of 20 hours of driver's training, and the successful completion of obstacle/road courses.

Fiscal Note: This \$15,229 settlement, along with the settlement per Resolution Nos. RS2021-1277, and RS2021-1294 would be the 17th, 18th and 19th payments from the Self-Insured Liability Fund in FY22 for a cumulative total of \$1,022,807. The fund balance would be \$6,864,004 after these payments.
