Analysis

This ordinance approves a participation agreement between the Nashville Department of Transportation and Multimodal Infrastructure (NDOT) and SP Church Project, LLC (SP) for sidewalk repairs on Church Street.

Pursuant to the agreement, SP would fill in the tunnel beneath the Church Street sidewalk spanning from Rosa L. Park Boulevard to the viaduct on 9th Avenue North and to restore this section of the Church Street sidewalk. SP would be responsible for the design and construction of the project. Upon completion of the project, NDOT would be responsible for ongoing maintenance of the sidewalk and the fill material beneath the sidewalk.

SP would agree to pay for 50% of the project costs. NDOT would reimburse SP for the remaining 50% of the project costs, and in no event would NDOT's level of participation exceed \$75,000.

Fiscal Note: NDOT would pay 50% of \$150,000 project's estimated cost.
