Analysis

This resolution approves the second amendment to a grant for the construction of affordable housing originally approved by Resolution No. RS2019-1861 and amended by Resolution No. RS2021-1065.

Affordable Housing Resources entered into a grant contract to distribute \$533,690 in monetary grants from the Barnes Fund. The contract was originally for the construction of 30 units of affordable housing. The first amendment to the grant extended the term of the grant from 24 months to 36 months.

The resolution under consideration approves a second amendment to the grant contract. This amendment reduces the grant award from \$533,690 to \$283,690 and reduces the number of units from 30 to 10.
