Analysis

This resolution appropriates \$1,046,000 in American Rescue Plan Act funds to provide rent relief to dealers at the Nashville Flea Market.

The COVID-19 Financial Oversight Committee recommends appropriating funds to the Nashville Fairgrounds to provide rent relief for Flea Market dealers. Permanent dealers, defined as dealers who commit to eight consecutive months of rental and a permanent booth space assignment, would be eligible for up to eight months of rent. This would include dealers that held permanent status as of March 2020, regardless of attendance since May 2021. Non-permanent dealers, who attend periodically or do not desire to commit to eight consecutive months of rental, would be eligible for up to four months of rent. New dealers, defined as dealers who have not rented booth space within the last two years, would be eligible for up to two months of rent.

Pathway Lending would administer the distribution of this program and accept a 5% administrative fee.

Fiscal Note: This appropriation, along with the appropriations per Resolution No. RS2022-1356 and Resolution No. RS2022-1357 would be the 19th, 20th, and 21st resolutions appropriating from the American Recovery Plan Act (ARP) Fund for a cumulative total of \$97,910,250. The total grant award is \$259,810,600 and the first half of this amount was received in July 2021.
