Analysis

This proposed ordinance amends the newly enacted Metropolitan Code of Laws sections 13.08.080G(3)(f) and 13.08.080G(5)(e) to include the Executive Director of the Community Oversight Board. The recently enacted BL2021-961 created section 13.08.080G(3)(f) of the Metropolitan Code providing that the District Attorney and the Public Defender may investigate complaints of misuse of LPR, examine and audit LPRs and LPR data files or record, and if either believes that LPRs have been used in violation of the code section, they may request that Council suspend the use of LPR. The proposed ordinance will add the Executive Director of the Community Oversight Board as an entity entitled to take specific investigative and examination actions related to in addition to the District Attorney and the Public Defender.

BL2021-961 also created section 13.08.080G(5)(e) of the Metropolitan Code providing that the District Attorney, the Public Defender, and the Chair of the Community Oversight Board shall have access to the MNPd audit trail. The proposed ordinance will provide such access to the Executive Director, rather than the Chair, of the Community Oversight Board and expand the review to designees of the named entities. And, it will enlarge the scope of review to include audit working papers.
