### Analysis

This resolution approves the first amendment to a Parental Assistance Court grant from the Tennessee Department of Human Services to the Davidson County Juvenile Court, previously approved by Resolution No. RS2021-990. This grant is used to provide opportunities for and meet the needs of eligible low-income families who have a court ordered child support obligation and to increase program participant parenting time with their children.

This amendment increases the amount of the grant by \$295,653.76, from \$295,653.00 to \$591,306.76. The required cash match would be increased by \$152,306.24, from \$152,307.00 to \$304,613.24. The end date of the term of the grant would be extended to June 30, 2023. The contract provision regarding Background Investigation Requirements would be updated to state that a new background check may not be required if the State of Tennessee has a valid background investigation on file within the past five years for the employee. In addition, a new provision would be added to the contract to require the Davidson County Juvenile Court to meet with the Tennessee Department of Human Services and its Davidson County child support enforcement office monthly to discuss program progress.
