A resolution honoring the life of former Councilman Ray Carl Burch.

WHEREAS, Mr. Burch graduated from Ezell-Harding Christian School in Antioch. He later attended Lipscomb University and graduated from Vanderbilt University; and

WHEREAS, Mr. Burch was an engineer and was a long-standing member of the National Association of Elevator Contractors. He invented a microprocessor for elevators - the first artificial intelligence for elevators - to make them more efficient; and

WHEREAS, he was reelected in 2007, serving two terms on the Metropolitan Council and representing District 13 with distinction and was voted "best hair" on the Council; and

WHEREAS, he lived in the same zipcode all his life and was an active member of the Vultee Church of Christ and Woodmont Hills Church of Christ; and

WHEREAS, he was also a fan of American-made cars, classic country music like George Jones, and was a

sports fanatic who played football and basketball before coaching his children and nieces and nephews; and

WHEREAS, Mr. Burch is survived by his wife, Kim Burch, four children, and one grandchild; and

WHEREAS, it is fitting and proper that the Metropolitan Council honor the life of former Councilman Carl Burch and recognize his years of dedicated service to District 13 and the residents of Nashville.
