### Analysis

This ordinance amends Ordinance No. BL2022-1415, which was passed at the October 4, 2022, Council meeting. That ordinance established a Tax Incentive and Abatement Study and Formulating Committee

("Committee"). The intent of the Committee is to study how the Metropolitan Government has utilized and potentially could utilize tax incentives to incentivize use of property in a way that contributes to the public good and to formulate recommendations for its implementation in a more transparent, equitable, effective, understandable, and fiscally responsible manner. The original ordinance states that seven members will serve on the committee, who will be approved by Council by resolution.

The ordinance under consideration clarifies that, of the four members appointed by election of the Metropolitan Council, up to two may be elected from the membership of the Council. This ordinance also corrects a typographical error in the original ordinance to clarify that the mayor will nominate one member.
