This resolution appropriates \$326,800 in American Rescue Plan Act ("ARP") funds from Fund #30216 to complete the funding allocation to the Office of Family Safety to address increased demand for therapy and services for victims of abuse, human trafficking, and interpersonal violence.

Resolution No. RS2021-1152 appropriated \$3,148,980 in ARP Funds to the Office of Family Safety to fund four high risk case managers, transportation and emergency needs of clients, therapy clinicians for children and adults impacted by interpersonal violence, and two additional AGAPE overnight and afterhours order of protection advocates.

Additional staff is required to support the original scope of activities and the Office of Family Safety also seeks to broaden the scope of those programs to include crisis advocacy. This additional funding will allow the program to continue through June 30, 2024.
