Analysis

This resolution approves the second amendment to a grant agreement between the Tennessee Department of Transportation ("TDOT") and the Nashville Department of Transportation and Multimodal Infrastructure ("NDOT") originally approved by Resolution No. RS2017-942.

The original grant funds the Nashville Complete Trips Transportation Management Program. This program seeks to reduce congestion and contribute to the exceedance of air quality standards by supporting and promoting the use of transportation options other than single occupancy vehicles. The first amendment, approved by Resolution No. RS2021-975, extended the term of the agreement from November 21, 2021 to May 31, 2022.

The amendment under consideration extends the completion date to December 31, 2022, which will operate to extend the 120-day grace period to accept reimbursements from TDOT.
