

Section 3. This Ordinance shall take effect from and after its passage, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

### Analysis

This ordinance amends Section 11.12.080 of the Metropolitan Code of Laws related to the discharge of weapons.

Currently, the Metropolitan Code of Laws provides that it is unlawful to discharge any firearm within the urban services district at any time, and within the general services district during the nighttime. "Nighttime" is defined as the period of time 30 minutes after dusk and 30 minutes prior to sunrise. There are exceptions to this rule, including the allowance of the discharge of a firearm (1) while in the lawful performance of duty as an officer of the law, (2) within a legally established shooting range or shooting gallery where precautions have been taken to insure the protection of human life and property, (3) while lawfully engaged in hunting, as permitted by the state, upon any property located within the urban services district of the metropolitan government; or (4) while legally defending person or property.

The ordinance under consideration prohibits the discharge of a weapon in the general services district within 500 feet of an occupied residential structure. An exception would be added to allow for the discharging of a weapon within 500 feet of an occupied residential structure with the prior permission of the owner of the structure and the owner of the property. An exception would also be made for where the discharge of a firearm is expressly authorized or permitted by state law.
