Analysis

This resolution approves the first amendment to a sole source contract between the Metropolitan Government and Azteca Systems, LLC, originally approved by Resolution No. RS2019-1557.

The contract provides the enterprise license agreement for Cityworks Software. This provides a variety of platforms for service requests, permit issuances, tracking services, mapping, and related tools. The original contract value was \$1,032,000.

The resolution under consideration increases the value of the contract by \$450,000, for a new estimated contract value of \$1,482,000. The increase is to cover the Enterprise License Agreement licensing and any additional licensing charges.

Fiscal Note: This amendment will increase the value of the sole source contract by \$450,000. The contract value increased from \$1,032,000 to \$1,482,000.
