Section 3. Be it further enacted, that the uses of this SP shall be limited to 300 multi-family residential units and 12,500 square feet of commercial space as defined in the plan. Short term rental properties, owner occupied and short term rental properties, not-owner occupied shall be prohibited.

Section 4. Be it further enacted, that the following conditions shall be completed, bonded or satisfied as specifically required:

1. The final building elevations shall show a seamless integration of all architecturally-lined parking areas with the non-parking fabric of the building.
2. Submit an application for Mandatory Referral for all rights-of-way to be abandoned with the final site plan. Any needed mandatory referrals shall be approved prior to issuance of any permits.
3. On the corrected copy, add note: "Building facades shall be constructed of brick, brick veneer, stone, cast stone, cementitious siding, glass, or materials substantially similar in form and function, unless otherwise approved on detailed building elevations included with the preliminary SP."
4. The Preliminary SP plan is the site plan and associated documents. If applicable, remove all notes and references that indicate that the site plan is illustrative, conceptual, etc.

Section 7. Be it further enacted, if a development standard, not including permitted uses, is absent from the SP plan and/or Council approval, the property shall be subject to the standards, regulations and requirements of the MUI-A-NS zoning district as of the date of the applicable request or application. Uses are limited as described in the Council ordinance.
