Analysis

This ordinance renames the current roadway that runs from Main Street to North 17th Street and from North 17th Street to terminus, from “Forrest Avenue” to “Forest Avenue.” Research was conducted by the Metro Nashville Historical Commission and the Nashville Department of Transportation and Multimodal Infrastructure that showed the avenue had been spelled both ways, with the earliest recordings spelling the avenue as “Forest Avenue.”

This proposal has been approved by the Planning Commission and the Emergency Communications District Board. Prior to second reading, a written report regarding any historical significance of the street name must be provided by the Historical Commission.
