Section 1. That the intergovernmental license agreement between the Metropolitan Government of Nashville and Davidson County, by and through the Nashville Department of Transportation and Multimodal Infrastructure (NDOT), and the State of Tennessee, acting by and through its Commissioner of Transportation, attached hereto and incorporated herein, is hereby approved and the Metropolitan Mayor is authorized to execute the same.

Analysis

This resolution approves an intergovernmental license agreement between the Nashville Department of Transportation and Multimodal Infrastructure (“NDOT”) and the State of Tennessee (“the State”).

Pursuant to this agreement, the State would grant a no-cost license to NDOT to install, operate, and maintain a mural at an underpass near 3246 Moorewood Drive under the Briley Parkway/State Route 155 bridge. The license would be granted for 10 years on a renewable basis. The design of the mural project is described and depicted in Exhibit A of the agreement.

The Metropolitan Council previously approved an application for this project through Resolution No. RS2023-32 after a request from the Parkwood Community Association.
