#### Analysis

This is a routine, annual resolution to call the Metropolitan Board of Equalization (“MBOE”) into regular session from June 3, 2024, until June 14, 2024. It would also call the MBOE into special session convening June 17, 2024, to complete any unfinished business regarding appeals on pro-rated assessments. The special session is not to extend beyond May 31, 2025.

The MBOE always meets during the month of June to hear appeals of assessments on real property. Historically, the MBOE has been required to have special sessions to conclude its work due to the large number of appeals. State law authorizes county legislative bodies to fix the number of days the Board of Equalization is to sit in regular session and to call the board into special session to complete any unfinished business. (T.C.A. § 67-1-404).
