#### Analysis

This resolution approves the second amendment to two grant contracts originally approved by Resolution No. RS2021-936. The grant contracts are between the Metropolitan Housing Trust Fund Commission and Woodbine Community Organization and Samaritan Recovery Community Inc. for the express purpose of constructing affordable housing.

RS2021-936 approved a contract for a grant of \$2,000,000 to Woodbine Community Organization to be used for the construction of 67 affordable housing units for rental on Elysian Fields Road. The first amendment to this contract was approved pursuant to RS2023-2043 and extended the term from 24 months to 36 months.

RS2021-936 approved a contract for a grant of \$2,000,000 to Samaritan Recovery Community Inc. to be used for the construction of 195 affordable housing units for rental on South 4th Street. The first amendment to this contract was approved pursuant to RS2023-2043 and extended the term from 24 months to 36 months.

The amendments under consideration extend the term of each grant contract from 36 months to 48 months. No other changes would be made to the contracts.
