Analysis

This resolution amends Resolution No. RS2023-2166 to correct an error. RS2023-2166 approved the first amendment to a grant from the Tennessee Department of Human Services to the Davidson County Juvenile Court, originally approved pursuant to RS2022-1523, used to establish and enforce federal and state mandated child support program guidelines for children born out of wedlock.

The amendment approved by RS2023-2166 had an error in the grant budget summary sheet and grants tracking form description of the required cash match and the updated end date of the grant. The amendment under consideration would correct this error to reflect the actual amount of the cash match, which is a total of \$543,300, and the grant end date, which is June 30, 2024.
