Section 2. The Directors of Water and Sewerage Services and Public Property Administration are authorized to execute such documents as may be necessary and appropriate to carry out the abandonment and acceptance authorized by this resolution.

Section 3. This resolution shall take effect from and after its final passage, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

Ordinance No. BL2023-125 was approved by the Metropolitan Council on January 24, 2024. The legislation authorized the abandonment of approximately 1,882 linear feet of existing six-inch water main (CI) and approximately 1,714 linear feet of existing 12-inch water main (CI), and the acceptance of approximately 1,263 linear feet of new 12-inch water main (DIP), approximately 39 linear feet of new 10-inch water main (DIP), approximately 121 linear feet of new eight-inch water main (DIP), approximately 135 linear feet of new six-inch water main (DIP), and three fire hydrant assemblies, for property located at 1215 21st Avenue South, also known as VUMC Link Tower. BL2023-125 provided that amendments to the ordinance may be approved by resolution.

The resolution under consideration amends this legislation to abandon approximately 154 linear feet of existing eight-inch water main (CI), approximately 47 linear feet of existing 10-inch water main (CI), an additional 80 linear feet of existing 12-inch water main (CI), and three fire hydrant assemblies, and accept an additional 42 linear feet of new 12-inch water main (DIP). Also, the previously approved of approximate 79 linear feet of existing six-inch water main (CI), is no longer needed to complete the project and would be removed from the ordinance.

These changes have been approved by the Planning Commission.
