Analysis

This resolution approves an application for a Port Security Grant from the U.S. Department of Homeland Security to the Office of Emergency Management. If the application is approved, the grant award would be \$384,750, with a required local cash match of \$128,250.

The grant would be used to improve the detection, deterrence, prevention, and response to hazards in the Port of Nashville by providing a multi-use/multi-hazard watercraft for critical infrastructure water patrols. This includes a Multi Hazard Rapid Maritime Response boat, water rescue and dive equipment, medical supplies for the Metropolitan Nashville Police Department, along with boat and search and rescue training for the Nashville Fire Department.
