Analysis

This ordinance adds the honorary street name designation of "James 'Jake' Sherrell Way" for a portion of 17th Avenue North between Jackson Street and Charlotte Avenue.

Section 13.08.025 of the Metro Code provides a procedure for the designation of honorary street signs whereby the Council, by ordinance, can authorize and direct the Nashville Department of Transportation and Multimodal Infrastructure to install two honorary street signs per street-at each end of a street-beneath the official street name sign for any street identified on the official Street and Alley Centerline Layer map. No honorary street sign can be installed honoring a living person; and each member of Council can sponsor only one such ordinance each calendar year.

This ordinance does not officially re-name the designated street. Therefore, there would be no change of official address for properties along this portion of 17th Avenue North.
