#### Analysis

This ordinance approves a memorandum of understanding between the Metropolitan Board of Fair Commissioners (“Fair Board”) and The Sports Authority for the Metropolitan Government for Nashville and Davidson County (“Sports Authority”) concerning an amendment to an agreement between the Sports Authority and Bell & Associates Construction, LLC (“Agreement”).

The agreement between the Sports Authority and Bell & Associates Construction, LLC is for construction manager at risk services for infrastructure in and around the Nashville Fairgrounds, including for new roadways, utility infrastructure, and landscaping in support of the soccer stadium. Additional capital improvements, including a mixed-use development, are expected to be completed at the Fairgrounds in the near future. The Agreement is set to expire on January 24, 2026.

The Fair Board would contribute up to up to \$258,772 in additional maintenance costs. The memorandum of understanding would take effect upon approval by the Metropolitan Council and the signatures of both parties.

The Fair Board voted to approve the memorandum of understanding during its August 14, 2024 meeting. The

Sports Authority approved the memorandum of understanding and the Agreement amendment during its August 15, 2024 meeting.

*Fiscal Note: Metro would pay up to \$258,772 for the additional maintenance of landscaping infrastructure along Benton Avenue and Wedgewood Avenue at the Fairgrounds.*
