Analysis

This resolution approves the second amendment to a grant contract between the Metropolitan Housing Trust Fund Commission and Woodbine Community Organization, Inc. as approved by Resolution No. RS2022-1857.

The original grant agreement was approved on November 15, 2022, with a term extending until the completion of the project or no later than 24 months after the execution of the agreement. Under the original agreement, 60 properties would be built at 6962 Highway 70S. The first grant amendment was approved through Resolution No. RS2023-2168 and added the address 3545 Dickerson Pike to the property description.

The amendment under consideration would change the location of this project to 869 West Trinity Lane and increase the number of affordable housing units to be built to 182 units. The amendment would also extend the term of the agreement an additional 12 months, from no later than 24 months to no later than 36 months. The grant amount of \$2,470,000 would not change through the proposed amendment.
