Analysis

This resolution appropriates $48,000 from the Board of Health's Community Safety Fund to Pass the Beauty. The funds would be used for a community safety program that mitigates financial stress, strengthens anti-violence social norms and peer relationships, and provides peer support and therapy.

Pursuant to this grant agreement, Pass the Beauty will begin several peer support groups, offer resources and workshops on mental health advocacy, cancer detection and other wellness topics, and establish a discretionary fund to provide financial aid for bills and mental health support. In accordance with the grant contract, Pass the Beauty must collect data to evaluate the effectiveness of their services. Pass the Beauty must track number of participants served, monthly progress reports, and frequency of services.

The grant would be effective from the date it is approved by all required parties and filed in the Clerk's Office and concludes twelve months following that date.

Tenn. Code Ann. section 7-3-314 authorizes the Metropolitan Government to provide financial assistance to nonprofit organizations. Section 5.04.070 of the Metropolitan Code of Laws provides that the Metropolitan Council may by Resolution appropriate funds for the financial aid of nonprofit organizations.
