NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That Title 17 of the Code of Laws of The Metropolitan Government of Nashville and Davidson County, is hereby amended by changing the Official Zoning Map for Metropolitan Nashville and Davidson County, which is made a part of Title 17 by reference, as follows:

By changing from MUL-A to SP-R zoning for property located at 806 16th Avenue North, approximately 200 feet southeast of Desha Street (2.6 acres), to permit 449 multi-family residential units, being Property Parcel No. 318 as designated on Map 092-04 of the Official Property Identification Maps of The Metropolitan Government of Nashville and Davidson County, all of which is described by lines, words and figures on the plan that was duly considered by the Metropolitan Planning Commission, and which is on file with the Metropolitan Planning Department and Metropolitan Clerk's Department and made a part of this ordinance as though copied herein.

Section 2. Be it further enacted, that the Metropolitan Clerk is hereby authorized and directed, upon the enactment and approval of this ordinance, to cause the change to be made on Property Parcel No. 318 as designated on Map 092-04 of said Official Zoning Map for Metropolitan Nashville and Davidson County, as set out in Section 1 of this ordinance, and to make notation thereon of reference to the date of passage and approval of this amendatory ordinance.

Section 3. Be it further enacted, that the uses of this SP shall be limited to a maximum of 449 multi-family residential units. Short Term Rental Property (STRP) owner-occupied and not owner-occupied shall be prohibited.

Section 4. Be it further enacted, that the following conditions shall be completed, bonded or satisfied as specifically required:

1. The northern façade of the parking garage shall include architectural treatments and/or cladding that integrate with the rest of the building.
2. On the corrected copy, update Architectural Note #5: A minimum of 15% glazing shall be provided on all exterior facing building facades.
3. The 10' wide public alley and 10' wide public access easement are to be constructed and dedicated to Metro prior to use and occupancy of the building. The 10' wide public access easement is to remain in place until the 10' wide public alley is constructed to meet Metro Public Works alley standards.
4. Parking shall comply with requirements of the Metro Zoning Code.
5. The project proposes certain off-site sidewalk and pedestrian improvements within existing right-of-way. Prior to approve of the final site plan, the applicant shall coordinate with Public Works and Planning to determine the final design of improvements.
6. Comply with all conditions and requirements of Metro reviewing agencies.
7. With the submittal of the final site plan, provide architectural elevations complying with all architectural standards outlined on the Preliminary SP for review and approval.
8. Comply with all conditions and requirements of Metro reviewing agencies.
9. The final site plan shall depict the required public sidewalks, any required grass strip or frontage zone and the location of all existing and proposed vertical obstructions within the required sidewalk and grass strip or frontage

zone. Prior to the issuance of use and occupancy permits, existing vertical obstructions shall be relocated outside of the required sidewalk. Vertical obstructions are only permitted within the required grass strip or frontage zone.

10. The Preliminary SP plan is the site plan and associated documents. If applicable, remove all notes and references that indicate that the site plan is illustrative, conceptual, etc.
11. The requirements of the Metro Fire Marshal's Office for emergency vehicle access and adequate water supply for fire protection must be met prior to the issuance of any building permits.

Section 4 5. Be it further enacted, a corrected copy of the preliminary SP plan incorporating the conditions of approval by Metro Council shall be provided to the Planning Department prior to or with final site plan application.

Section 5 6. Be it further enacted, minor modifications to the preliminary SP plan may be approved by the Planning Commission or its designee based upon final architectural, engineering or site design and actual site conditions. All modifications shall be consistent with the principles and further the objectives of the approved plan. Modifications shall not be permitted, except through an ordinance approved by Metro Council that increase the permitted density or floor area, add uses not otherwise permitted, eliminate specific conditions or requirements contained in the plan as adopted through this enacting ordinance, or add vehicular access points not currently present or approved.

Section 6 7. Be it further enacted, if a development standard, not including permitted uses, is absent from the SP plan and/or Council approval, the property shall be subject to the standards, regulations and requirements of the RM60-A zoning district as of the date of the applicable request or application. Uses are limited as described in the Council ordinance.

Section 7 8. Be it further enacted, that this ordinance take effect immediately after its passage and such change be published in a newspaper of general circulation, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.
