Analysis

This resolution approves an agreement between Metro Animal Care and Control (MACC) and Home to Home. Home To Home™ is a website created to help shelters and rescues that are focused on rehoming pets. Home to Home agrees to provide a branded homepage within their website for MACC, which will include a donate button, a resource locator, social media integration, and marketing. Among other requirements, MACC agrees to have a minimum of 10 animals posted on the site within 120 days, post information about the animals on MACC's Facebook page, provide a Metro administrator for the Home to Home network, and dedicate 30 minutes per day of a MACC employee's time to keep the page updated.

The term of this agreement is for 60 months and Metro will pay \$25 per month to participate in this program.
