Analysis

This resolution approves the second amendment to a sole source contract between the Metropolitan Government and Infor, Inc. to provide maintenance and support of workforce time and attendance software for the Metropolitan Nashville Police Department (MNPd). Sole source contracts may be awarded under the Metro procurement code when it is determined by the Purchasing Agent in writing that there is only one source for the supply or services rendered. Metro Code Section 4.12.060 requires all sole-source contracts having a total value in excess of \$250,000 to be approved by the Council by resolution. The Council approved a three year sole source contract with this vendor in August 2018 pursuant to Resolution No. RS2018-1338. The first amendment was approved by Resolution No. RS2020-536 and increased the value of the contract to upgrade Infor, including custom functions and interfaces.

The resolution under consideration extends the term of the contract for an additional 12 months, bringing the total term of the contract to 48 months. In no event would this contract exceed 60 months. No other changes would be made by the amendment. The estimated contract life value is \$738,900.33.
