Analysis

This resolution approves the second amendment to an agreement between the Tennessee Department of Transportation (TDOT) and the Nashville Department of Transportation and Multimodal Infrastructure (NDOT) for the acceptance of a Complete Street on State Route 1 (US 41, Murfreesboro Road) from I-24 Ramp to Foothill Drive, originally approved by Resolution No. RS2017-634. This agreement was amended by

Resolution RS2020-384 to replace the language of the agreement in its entirety. State law authorizes Metro to approve intergovernmental agreements by resolution.

Pursuant to Amendment 2, TDOT would extend the completion date of this project from January 31, 2022 to May 31, 2024, due to the time needed to complete the acquisition of the right-of-way easement, estimated to be 12 to 14 months. No other changes would be made to the agreement.

Fiscal Note: The total cost of the project is not changed by this amendment. The previous fiscal note indicated that the total cost of the project is estimated to be \$4,102,500. \$3,282,000 (80%) of this amount would be paid by the federal government. The remaining \$820,500 (20%) would be paid by Metro.
