Analysis

This resolution amends an intergovernmental agreement between the Tennessee Department of Health and the Metropolitan Board of Health originally approved by Resolution No. RS2018-1500. The agreement provides Child Fatality Review Services in the Sudden Death of the Young (SDY) in children under age 19 investigated by the Medical Examiner's Office.

This amendment increases the amount of the grant agreement by \$7,000, from \$28,000 to \$35,000. It also extends the end date of the contract by one year, from September 29, 2022 to September 29, 2023.

Section 10.104(8) of the Metropolitan Charter provides that the Board of Health has the duty to contract for such services as will further the programs and policies of the Board, subject to confirmation by resolution of

Council.

Fiscal Note: Metro would be compensated up to \$35,000 for these services during the term of the contract, which is an increase of \$7,000 from the previous agreement.
