Section 2. The Directors of Water and Sewerage Services and Public Property Administration are authorized to execute such documents as may be necessary and appropriate to carry out the abandonment, relocation and acceptance authorized by this resolution.

Section 3. This resolution shall take effect upon passage, the welfare of The Metropolitan Government of

Nashville and Davidson County requiring it.

Analysis

Ordinance No. BL2021-704, passed by the Council on May 4, 2021, authorized the abandonment of approximately 200 linear feet of existing 45 inch combination sewer and easements, authorizes the relocation of two existing fire hydrant assemblies, and accepts approximately 205 linear feet of new 48 inch combination sewer, four combination sewer manholes, two fire hydrant assemblies, and easements for property located at 622 Merritt Avenue, also known as The Finery Residential.

This resolution amends BL2021-704 to authorize the abandonment of an additional approximately 183 linear feet of existing 45 inch combination sewer (Brick) and easements, and the acceptance of an additional approximately 195 linear feet of new 48 inch combination sewer (RCP), three additional combination sewer manholes and easements. It has been determined that these changes are necessary to construct the project.

This has been approved by the Planning Commission.
