Analysis

This resolution approves the first amendment to an agreement between the Tennessee Department of

Transportation (TDOT) and the Nashville Department of Transportation and Multimodal Infrastructure (NDOT). Resolution No. RS2015-1594 approved Agreement No. 150109, for the remediation of a rock cut slope for the reconstruction of sidewalks along Hart Lane from Jere Baxter Middle School to Ellington Parkway. The project also includes signage, a crosswalk, and the relocation of utilities. The project was required to be completed by November 1, 2020.

The resolution under consideration approves an amendment to extend the completion date to April 30, 2022. This would allow for the completion of close-out construction tasks on the project. Exhibit A to the agreement would also be updated.
